FRENCH STRENGTHEN POSITION STEADILY ON WESTERN FRONT

Troops Reach Germany's Westwall Through
Salient at Hornbach—Fighting Spreads Over
Twelve-Mile Front With German Artillery
Attempting to Stem Advance of Infantry

PARIS, Sept. 27 (AP).—French artillery was reported today to have blasted a hole in the Siegfried Line fortifications between Merzig and Saarbrücken. Dispatches said the entire French-German frontier, between the borders of neutral Luxembourg and Switzerland, blazed with artillery fire. These advances said heavy German counterfire on advanced French positions in the Saar and Palatinate regions was designed to protect feverish efforts by German troops to rebuild shattered blockhouses backing their line from Merzig to Saarbrücken, a distance of about twenty miles.

INFANTRY MOVE FORWARD

PARIS, Sept. 26 (P).—French infantry, edging forward under cover of an artillery barrage, were said by military sources today to have hit Germany's westwall through a salient formed at Hornbach on the Western Front. These sources described the battle this way:

German guns replied to the French barrage, sending shells into the wooded hills and steep ravines southeast of the German town of Zweibrücken, called Deux Fontes by the French. This town was the immediate objective of the French attack in this sector.

FRENCH HOLD THEIR OWN

Overhead French and German air forces clashed, the French holding their own against superior numbers. The French succeeded in consolidating the Hornbach salient, one of the most important strategic positions taken by the French on the northern flank on the front between the Rhine and Moselle rivers. Hornbach lies a little more than a mile in German territory in the valley of the Horn River. Zweibrücken is four miles farther north in the foothills of the Vosges Mountains.

The General Staff's evening communique showed German troops spread from the sector south of Zweibrücken to a parallel region south of Pirmasens, twelve miles to the east on the other side of France's Hornbach salient.

It was through this rugged area that the French had been infiltrating gradually. Moving north from the Blücher Plateau, military dispatches said, they seized border villages and occupied crests around Hornbach, took the town and pushed on toward Hornbach.

MANY OWNERS MAKING OFFERS

Ready to Put Their Facilities
At Disposal of Dominion
Government

OTTAWA, Sept. 26 (CP).—Numerous offers of co-operation are being received by the Government from property and plant owners who have facilities which might prove useful in Canada's war effort.

While most offers pass through the hands of the Bureau for Registering Voluntary Offers of Service, headed by Dr. E. H. Coleman, Under-Secretary of State, those having to do with particular services or facilities are eventually passed along to the department most concerned. Owners of manufacturing plants, going and idle concerns, have sent the Government descriptions of their properties with suggestions as to what use might be made of them.

When these concerns manufacture of any kind of war supplies they will be finally laid before the War Supply Board.

Offers of quarters which might be used for troops or storage of military supplies are sent to the Defence Department, while those having to do with farm production, facilities go to the Agriculture Supply Board, headed by A. M. Shaw, marketing director.

Place Embargo on Export of Iron

OTTAWA, Sept. 26 (CP).—An embargo has been placed on the export of scrap iron and steel from Canada to all countries except Canada's wartime allies.

In the case of export to the latter, permits must be sought by the shippers but will not necessarily be granted, depending on Canada's own needs at the time.

Record Set by Early Snowstorm
In Cities of Eastern Canada

QUEBEC, Sept. 26 (P).—Snow that fell in most sections of Quebec Province early today set a record in at least two cities, it was learned tonight. The 0.3 inch fall in Montreal was the heaviest recorded this early during the sixty-five years that records have been kept at the McGill University Meteorological Bureau.

Officials at the Dominion Experimental Farm at Lennoxville said the one-inch fall on sections of the eastern townships was the earliest recorded in that district during the twenty-five years records have been compiled.

Heavy rains accompanied by strong wind and electrical disturbances swept over Nova Scotia today. The storm brought the season's first snowfall at Springhill, a light fall accompanied by rain.

Sweden Protests To Germany Over Sinking of Ships

May Withhold Shipments of Iron Ore to Reich
Until Settlement Made—Many Shipowners
Keeping Vessels at Home—Denmark Send-
ing Large Quantities of Food to Britain

COPENHAGEN, Sept. 26 (P).—Sweden protested to Germany today against the sinking of two Swedish ships in what diplomatic observers here believed to be the forerunner of pressure by neutral Northern countries for an early settlement with the Nazis on the future of their maritime commerce.

The Swedish ships and two Finnish ships were sunk within the past week in attacks which the rescued crews attributed to German submarines.

Finland, indignant at what were termed violations of her neutrality, lodged a protest in Berlin on Saturday.

BRANDED AS CONTRABAND
Three of the four sunken ships were loaded with wood pulp, en route to England. Germany has referred to the cargoes as cellulose.

Finds Nugget in Crop of His Hen

QUESNEL, B.C., Sept. 26 (CP).—When a hawk killed one of Harry Boyd's Plymouth Rock hens on his cottonwood house farm, twenty miles east of here, he figured he was \$1 out of pocket and saved the badly mauled chicken to a neighboring mink farmer.

Shortly after, the neighbor returned with a gold nugget worth \$1, which he had taken from the bird's gizzard.

French Communist Party Outlawed by Government

PARIS, Sept. 26 (P).—The French Government today outlawed the Communist party in France in what political circles interpreted as an answer to Russia's line-up with Germany and invasion of Poland.

The decree adopted by Premier Daladier's Cabinet meant the end of the party's affiliates and banned Communist propaganda. Penalties were provided for violations.

The action had been foreshadowed by suppression of the newspapers L'Humanité and Ce Soir, dismissal of Communists from Parliamentary committees and a break between the Communists and the general Confederation of Labor.

President Lebrun also approved a decree extending to all of France's Allies as well as France herself the protection against crimes and offenses against their "external safety" for the duration of war.

CHURCHILL GIVES ENCOURAGING ACCOUNT OF NAVAL SUCCESSES

War News In Brief

By The Canadian Press
LONDON—Winston Churchill says fight against German submarines ahead of 1941 war pace and "only just beginning."

MOSCOW—Soviet communique, explaining talks with neighboring Estonia, says security of Soviet waters against "hiding submarines" has acquired "great importance."

BUCHAREST—Diplomats report Russia and Turkey discussing Turkish-proposed Soviet-Italian-Balkan pact to keep war out of Southeastern Europe by guarantees of Balkan status quo.

PARIS—France outlaws Communist party; French infantry reaches Germans' main westwall forts at Hornbach.

BERLIN—Hitler returns to Berlin to turn attention to Western Front. COPENHAGEN—Sweden protests to Germany against sinking of her ships by submarines.

MYSTIFIED BY HEAVY BLASTS

Rumors of Naval Battle Off
Norway Continue—War-
ships Seen in Distance

COPENHAGEN, Sept. 26 (P).—The situation off the Norwegian coast for the last twenty-four hours or more remained a mystery tonight, in the absence of British, French or German confirmation of reports telling of a "naval battle."

The latest action was between noon and 1:40 p.m. today, off Lister Fjord in Southern Norway. Inhabitants of that region said that they clearly saw three warships, two submarines and smaller warcraft and heard between thirty and forty shots and the drone of airplane motors.

They said eight or ten merchant vessels steamed toward shore during the activity.

FORBIDDEN TO TALK

The mystery deepened when newspapermen at Farsund, near Lister, questioned by telephone from Copenhagen, said police had forbidden them to talk to any points outside of Norway.

The Norwegian Admiralty discounted any connection between sounds resembling gunfire heard yesterday off Bergen and ships reported manoeuvring offshore. An official statement said dynamiting in necessary work on nearby islands caused the explosions and concussion heard and felt in the area.

THE MINIMUM AGE

LONDON, Sept. 26 (P).—The Government will send overseas no soldier under nineteen years old and will not call up for overseas service anyone below the age of twenty under the National Service Act. War Secretary Leslie Hore-Belisha told the House of Commons today.

GIFT FOR RED CROSS

LONDON, Sept. 26 (P).—A gift of \$10,000 (\$44,700) from an anonymous Canadian donor was received today by the Red Cross and St. John Ambulance Fund. The donation brings the fund, to be used in France and England, to \$158,000.

Seeking to Prevent Spread of War Into Southeastern Europe

Turkey Leading Negotiations for Neutrality Pact
Between Soviet Russia, Italy and Balkan States
—Would Arrange Mutual Guarantees

BUCHAREST, Rumania, Sept. 26 (P).—Diplomatic circles here disclosed tonight negotiations are under way for a Soviet-Italian-Balkan pact designed to insure against spreading of war into Southeastern Europe.

The negotiations, initiated by Turkey, aim at arranging mutual guarantees of the Balkan status quo.

The Foreign Minister of Turkey, Sukru Saracoglu, who is in Moscow, was reported by diplomats to be discussing the final terms of the proposed pact with the Premier and Foreign Commissar, Vyacheslav Molotov.

This stage was reported reached after extensive diplomatic soundings, during which a tacit approval of the plan was said to have been

First Lord of Admiralty Recounts Details of Results Achieved in Combating U-Boat Menace To British Shipping—Britons Speculate on Further Financial Burdens in Budget

No Appreciable Diminution In Vast World-Wide Trade

LONDON, Sept. 26 (CP).—Britons, taking pride in the Royal Navy's apparent success in smashing Germany's initial U-boat attack on British shipping, turned tonight to guesses on the financial sacrifices the Government will ask of them in tomorrow's war budget.

Sir John Simon, Chancellor of the Exchequer, is expected to increase the already steep basic income tax rate of five shillings sixpence in the taxable pound, advance the rates of surtax and death duties and add further imposts on luxuries.

In view of the staggering tax bill the country shouldered as the result of pre-war rearmament, he probably will announce a "pay-as-we-go" policy as far as practicable.

STORY OF FIGHT

The story of the navy's fight against submarines was related to the House of Commons today by Winston Churchill, First Lord of the Admiralty, who twenty-five years ago directed the Admiralty's campaign against the underwater menace in the days when sporting rifles and bombs on the end of long harpoons were the puny weapons used.

CHEERS FOR ADMIRALTY HEAD

The First Lord of the Admiralty aroused the House to prolonged cheering when he announced:

1. The Empire's merchant marine—which represents 2,000 ships on salt water every day in the year—is being armed for the fight "which is only beginning."

2. The convoy system, the device which finally smashed the U-boat menace in the last war, is operating inward and outward, with merchantmen under the direct protection of the navy.

3. In the first two weeks of war the navy seized and confiscated more tonnage of merchandise destined for Germany than submarines sank in British ships.

STOLE THE SHOW
Mr. Churchill followed Prime Minister Chamberlain, who gave a general report on the war situation, and "stole the show" from his chief. The First Lord's flow of flowery, imaginative and pungent English was a marked contrast with the Prime Minister's factual, impersonal account and icy-cold delivery.

Mr. Chamberlain stressed that Britain's command of the sea would cripple Germany eventually, but added a note of warning not to expect an economic collapse in the Reich in the immediate future because of her holdings of essential war materials.

GATHERING MOMENTUM

"In the Dominions the preparations of His Majesty's Governments continue with gathering momentum," Mr. Chamberlain said.

"Dominion naval vessels are co-operating with our own. Dominion army units are being trained for service as circumstances may demand. Dominion air strength is being made ready for use overseas. As a result of close co-operation, supplies of finished munitions, raw materials and foodstuffs from the Dominions are being made available in ever-increasing volume for the common cause."

Two Killed In Wreck of Texas Train

MILLSAP, Tex., Sept. 26 (AP).—A Texas & Pacific train, heading Texas Christian University football fans to Los Angeles, was wrecked near here early tonight, killing the engineer and conductor, and injuring the fireman. None of the passengers was reported seriously injured.

More than 100 persons, including the Texas Christian University band, were aboard the special, which was to have picked up the university football team at Sweetwater, Tex., where the squad had gone on a regular train earlier in the afternoon and stopped for a workout.

Both Mr. Churchill and the Prime Minister stressed the importance they placed on shutting off Germany's essential supplies as a long-range war policy.

EXPERTS OF LAST WAR CALLED UP

Food Ministry Sets Trained Men to Work to Aid in Rationing Supplies

LONDON, Sept. 26 (P).—Great Britain's food ministry called tonight upon war-trained experts to aid in the job of assuring adequate food at fair prices.

Sir Henry French, economist largely responsible for the ration card system used in the Great War and known in the civil service as "Mother Hubbard," was named secretary of the industry.

Sir William Henry Peat, financial secretary to the Food Ministry from 1917 to 1920, took his old place and Sir Quintin Hill, former secretary of the Royal Commission on Food Prices, was named deputy secretary.

Finds Charges Laid By Vancouver Mayor Quite Unfounded

Chief Constable Foster Exonerated of Inefficiency And Insubordination by Police Commission—Is Found to Have Respect of Men

VANCOUVER, Sept. 26 (AP)—A dozen charges of inefficiency laid against Chief Constable W. W. Foster by Mayor Lyle Telford were declared "unfounded" today in the twenty-four page findings of two city police commissioners who investigated them.

The commissioners—Judge A. M. Harper, of County Court, and Deputy Police Magistrate G. R. McQueen—said their investigation, which extended from August 23 to September 13, showed further that "Chief Foster has the respect of his men."

Mayor Telford, chairman of the three-man police commission, did not sit on the inquiring body which investigated his charges, ranging from alleged sickness in law enforcement to insubordination.

The mayor did not question the personal integrity or record as a soldier of Brigadier Foster, who is national president of the Canadian Legion. In this regard the commission said:

HAS DONE HIS DUTY
"For over four years Brigadier Foster has been chief of police of the city of Vancouver, and the fact that, although a vigorous attack has been made upon his administration, nothing can be found that reflects upon his integrity or character is in itself an admission that he has not deviated from the path of duty as he saw it."

"His record extends over many years, and is admittedly a very honorable one, including as it does service overseas in the Great War."

The commissioners concurred in the report of Hon. W. A. Macdonald, issued in 1936 after a previous inquiry into Vancouver police administration, which found that Brigadier Foster as chief of police was efficient, and that any change would be detrimental to the interests of the city.

"That statement, made in December, 1936, applies with even greater force today," Judge Harper and Magistrate McQueen decided.

The mayor's charges against the chief of police, and the commissioners' findings, included these:

TAKES NO ACTIVE PART
1. The mayor charged the chief violated police regulations by being a director of Pacific Engineers, Limited, while he served as chief, but the investigators found Brigadier Foster "takes no active part in the affairs of that company" and "has given his full time" to the duties of his police office.

2. Mayor Telford charged Brigadier Foster had not enforced laws as effectively as he should, including those concerning prostitution, gambling, bootlegging, Chinese-betties, bookmakers, cabarets and clubs.

The commissioners found that police were "diligent" in trying to reduce prostitution—"not an easy task in a large seaport"; gambling in Chinatown has been "considerably reduced"; the bootlegging charge failed entirely as "proof of inefficiency"; no evidence could be adduced that police are not doing their duty in curbing Chinese lotteries, although such lotteries operate on a small scale here; and the police commission would have to study the bootlegging situation and provide more men if it were to be suppressed adequately. Not a single reflection had been cast upon the character, honesty or integrity of any head of the vice squad.

FIND NO LAXITY
3. The mayor charged laxity in enforcement of traffic regulations, but the commissioners found there has been "a progressive decrease in deaths and injuries" despite an increase in car registrations.

4. The commissioners said that value of goods stolen in the city had steadily decreased, although Vancouver has an area to patrol one-third greater than Toronto and the city attracts each winter a large influx of "floaters."

5. "As regards robbery with violence, the record of Vancouver is now the lowest it has been for many years," the report said.

NEW ZEALAND TO INCREASE TAXES
AUCKLAND, New Zealand, Sept. 26 (AP)—Cost of New Zealand's war effort for the current year was estimated today at \$2,750,000 (\$43,852,500).

Provision was made in the budget for \$3,200,000, the Government raising \$2,400,000 in extra taxes and the balance to be raised by loans and from bank reserve.

Extra taxes include a 15 per cent increase in the income tax, a postal surcharge of one penny, higher death duties, increased duties on beer, tobacco, wines, spirits and gold.

TO JOIN BOARD OF TRANSPORT

F. M. MacPherson Leaves B.C. Cabinet—Reorganization Plans Unknown

Announcement from Ottawa yesterday of the appointment of Hon. F. M. MacPherson, Minister of Public Works in the British Columbia Administration, to membership on the Federal Transport Board came without surprise to the Provincial Government here. Premier Pattullo declined comment on plans for reorganization of his Cabinet.

Meanwhile, throughout the province Liberal associations were actively laying their suggestions before the Premier, as to a successor in the Cabinet for Mr. MacPherson, who must now resign his portfolio and his seat in the Legislature. The election in Cranbrook will follow, in due course.

MANY NAMES PROPOSED
While Premier Pattullo preserved his own counsel on the gift of a portfolio wholly within his control, the names of Frank Putnam (Lib., Nelson-Creston), H. G. Perry (Lib., Fort George), Ezra Henniger (Lib., Grand Forks-Greenwood) and several others were being laid in train before the Government by members of the Liberal caucus. The drive for the elevation of Mr. Putnam was strong.

Throughout the provincial service, and especially in his own department, the pending resignation of Frank Mitchell MacPherson was received with sincere regret, although it means his transfer to the Dominion sphere of influence as a good friend to British Columbia.

Reorganization of the Cabinet, with some switch in portfolios, was seen as a possibility, depending upon who is selected to fill the vacancy in the Cabinet.

IN VISITING CRANBROOK
On vacation in Cranbrook, it was regarded as unlikely that Mr. MacPherson would come here today with the Transport Board, which will open Victoria sittings at the Courthouse tomorrow morning. It was believed that he would be in the vicinity of the month to wind up his affairs.

The six-member board is now complete and is composed of Hon. Hugh Guthrie, chairman; W. H. M. Wardrop, P. N. Garneau, J. A. Stoneman, G. A. Stone and Mr. MacPherson.

GIVES ACCOUNT OF NAVAL SUCCESSES
Continued from Page 1

which met in England, September 22, reached "complete agreement" on munitions and supply problems, Mr. Chamberlain said, and also on the course to be followed "to meet developments since the first council meeting in France, September 12."

Since then Russia's march into Poland has been the major development.

EFFECTS ARE CLEARER
The effects of that Soviet action "have become clearer," said the Prime Minister, noting that more than half of Poland's land and population are now under German control.

The Prime Minister called the blockade a legitimate method of warfare, when England-bound shipping is being attacked with "calculated disregard of humanity."

On the home front, Mr. Chamberlain said "practically the whole force of our industry" has to be concentrated on war needs, and pleaded for the co-operation of "the war people."

"No one can doubt that in modern warfare it is upon the determination, courage and endurance of ordinary men and women that victory ultimately depends," he said.

"We have our people more united and more determined than ever before, and for all the perpetual threat of German aggression, of which Poland is only the latest instance."

COMPLETE FAITH
Clement Attlee, Leader of the Labor Opposition, expressed "complete faith in our victory," but criticized mobilization of resources and personnel as too slow, and said the Information Ministry was tending to become a ministry to withhold information.

After his Commons speech, Mr. Chamberlain made a personal report to the King.

Other developments of the home front included these:

The Transport and General Workers' Union protested against rising prices of food and commodities.

The Postmaster General announced mail service to Poland has been "suspended until further notice."

The War Office extended until December 31 the period in which volunteer soldiers may be loaned to farmers.

Gasoline rations for taxicabs were increased from two to three gallons daily after complaints from cabbies and patrons.

TO DIVERT TRADE
On the economic front, it was disclosed the newly-formed Ministry of Economic Warfare and the Board of Trade are negotiating wartime trade agreements with neutrals in an effort to divert their trade with Germany to Britain and her Allies.

An attempt to reach an agreement with Sweden, from whom Britain obtains about 90 per cent of her wood pulp imports, was receiving the major attention of the economic chiefs, a high source said.

It was said in authoritative quarters there is "evidence that Germany has threatened some neutral countries with reprisals if trade agreements are signed with Britain."

Defer Recruiting For All But Three Units of Militia

RECRUITING in British Columbia for all units of the Canadian active service force, with the exception of the Princess Patricia's Canadian Light Infantry, the Seaforth, and the Westminster Regiment, was deferred yesterday, and the recruiting office on Government Street was closed.

No official reason was given for this action. The Seaforth and Westminster Regiments are Mainland units. Organization of other units is proceeding, however, and the main body of the 1st Battalion, Canadian Scottish Regiment, moved out to Officer Point for training yesterday.

For this reason, it was said, such recruitment "more than likely" would remain secret treaties if they are concluded.

The Minister of Supply, Leslie Burgin, told the Munitions Supply Council at its first meeting today "we must and we will deliver the goods."

He said Britain's "defences have been prepared, stocks have been accumulated, armaments have been manufactured and a programme of expansion to meet the needs of the country at war is being rapidly undertaken."

STEPHEN GARNHAM CALLED BY DEATH
Riel-Veteran and Ex-Mounted Policeman Succumbs to Illness in Accident

VANCOUVER, Sept. 26 (CP)—Stephen E. Garnham, eighty-one, veteran of the Riel Rebellion and prominent Vancouver shipping man, died today. He suffered a heart attack while on his way to work in a traffic accident some time ago and had been in ill-health since.

Mr. Garnham fought in the Riel Rebellion, joined the force of the Northwest Mounted Police in 1885, and later came to Vancouver, where he became manager of the Coastwise Steamship and Barge Company.

Born in England, he came to Canada when he was twelve years old. His family settled in Ontario, but after a few years he moved West.

Interested in sport, he played lacrosse in Brantford, Ont., and later in Calgary. He was past president of the Northwest Mounted Police Association at the time of his death.

SEEK TO PREVENT SPREAD OF WAR
Continued from Page 1

Italy and Soviet Russia, with the objective of remaining a strong neutral bloc and keeping the war from Southeastern Europe.

The five vitally interested Balkan nations and Russia, Italy and Turkey would guarantee the status quo of the Eastern Mediterranean and control the Dardanelles Straits, the Black Sea, and the mouth of the Danube.

BESSARABIAN PROBLEM
In the exchange for Rumanian and Bulgarian frontier rectification, Rumania was reported to have requested Russia to recognize Rumania's annexation of Bessarabia, which she obtained from Russia after the last war.

Hindenburg was understood to be willing to waive her claim to Transylvania, which she ceded to Rumania in the last war, providing she obtains a guarantee of her present territorial integrity and the support of neighboring nations against aggression.

Russia's interest in obtaining such a pact lies in her desire to insure protection against German dominance of the Balkans and the Eastern Mediterranean. The pact would protect Italy against similar threats to Italian interests in the Balkans and Southeastern Europe by her axis partner, Germany.

WHY SOME PEOPLE GROW OLD QUICK
Everybody should know the facts. Why do some people keep youthful, while others grow old quickly, before their time? Are you too busy to learn the truth? Are you prepared to face the facts and to admit them, if they apply to you? We say you may find answers in living if you read and heed these frank statements.

Thousands of people just don't bother to do anything about constipation. They even refuse to believe they are constipated. They think that if a person is regular, that is all the more for him. Occasionally they take a "good dose of something" when the need is evident. That is definitely not the way. The way to keep feeling fit, to prolong the years of youthful exuberance and well-being, is to keep the bowels free from the accumulation of waste matter. To do that your body must get certain minerals in its diet.

We make no exaggerated claims for Kruschen because Kruschen contains several valuable mineral salts in highly refined form. Each salt has its particular function. In combination they help rid your system of excess poisons each day. Thus free from the excess effects of accumulated impurities you are each day set free from the effects of rheumatism, acid indigestion, rheumatic pains, latencies, because your secretory organs are encouraged to function normally.

Thousands upon thousands of people throughout the world refer to the general well-being it imparts as "that million dollar Kruschen feeling." Start "the little daily dose" right away and just you see for yourself. At all drug counters 25c, 45c, 75c.

Bankers From United States Invade City On Pleasure Cruise

Large Contingent of American Bankers' Association Here on Brief Visit—Welcomed by Local Officials, Pipe Band and Girls' Drill Team

APPROXIMATELY 2,000 American bankers, their wives, sons and daughters, came to Victoria yesterday on two specially chartered steamers from Seattle, where the sixty-fifth annual convention of the American Bankers' Association is being held this week. The trip was in the nature of a good will visit and was one of the highlights arranged for the delegates before they settle down to serious business sessions today.

The large party included financial heads from all of the great banking institutions of the United States, and bankers representing cities and towns from the New England States to the Pacific Coast.

The bankers sailed from Seattle yesterday morning aboard the Princess Marguerite and Princess Kathleen, and cruised leisurely among the islands of the Gulf before arriving in the city.

The band of the Second (M.G.) Battalion, Canadian Scottish Regiment, played a welcome skit on the pipes as the visitors streamed down the gangway, and the Victoria Girls' Drill Team, resident in their alk red, white and blue uniforms, stood in line, bearing banners of welcome.

LOCAL OFFICIALS
Local banking officials, including G. D. Campbell, bank of Nova Scotia; C. W. Pangman, Bank of Toronto; G. Hamilton Harman, Bank of Montreal; and S. K. Campbell, Canadian Bank of Commerce, met the delegates as they came ashore, where they dispersed in various groups on different sightseeing trips.

Many of the ladies of the party went shopping and walking in city streets; buses and private cars took hundreds on long to points of interest in the city and vicinity; hundreds visited the Empress Hotel and enjoyed afternoon tea; others more active, could be seen riding around on hired bicycles.

Later in the afternoon most of the party gathered at the Empress Hotel and watched the Girls' Drill Team stage a display on the hotel lawn, under the direction of Captain Norman Foster.

Headed by Philip Benson, president of the Western Savings Bank of Brooklyn, and retiring president of the Bankers' Association, and Robert Hanes, vice-president of the Wachovia National Bank, Western Salem, N.C., and president-elect of the association, the visitors were led to the prime of Victoria, and the welcome arranged for them.

LIKE COMING HOME
"It's just like coming home again," remarked D. J. Needham, general counsel of the association, with headquarters at Washington, D.C., who is a former resident of the Pacific Northwest. "The city and the gardens look lovely," added W. C. Tompkins, auditor of the First National Bank of St. Louis.

A venerable and respected member of the party was Heber J. Grant, from Salt Lake City, president of the Mormon Church for the past twenty years. Mr. Grant, eighty-one, expressed great interest in the years of age, attended in his capacity as president of the Utah State National Bank and the Zion Savings Bank & Trust Company.

Mr. Grant, who has forty-seven grandchildren, most of them of military age, expressed great concern over the war. "It is terrible for the peoples of the countries concerned," he said. "It is none of our fight and I hope we can keep out of it—I don't see why we should furnish the life-blood of our families."

INTERESTED IN SUBMARINES
The war on more particularly submarine, was a topic of interest to many of the visitors, who were anxious to probe the truth of rumors of enemy ships in the Straits. The bankers and their family entourage spent only a brief two hours in the city, before their trip shortly after 5 o'clock. Jessie Pollock, Victoria girl piper and Highland dancer, piped the visitors away as they went up the covered gangway at the C.P.R. docks. The Girls' Drill Team also paraded at the depot to bid the welcome guests good-bye.

Other bankers prominent in the party included Dr. Fred I. Kent, director of the Bankers' Trust Co., New York; E. W. Cook, president of the Second National Bank of Chicago; Dr. Howard H. Preston, dean and professor of money and banking at the University of Washington; H. Donald Campbell, president of the Chase National Bank of New York; Joel E. Ferris, executive vice-president and manager of the Spokane Eastern Bank; W. W. McEachern, president, Union Trust Co., St. Petersburg, Fla.; John R. Burton, president, Far Rockaway National Bank, New York; Julian T. Baber, United States Treasury Department; Joshua Green, Jr., vice-president, Peoples National Bank, Washington; Colonel J. B. Chaffey, vice-president and director, California Bank, Los Angeles; Andrew Price, president of the National Bank of Commerce, Seattle; George H. Greenwood, president of the Pacific National Bank, and Robert Ballington, president of the Seattle Trust and Savings Bank.

SWEDEN PROTESTS SINKING OF SHIPS
Continued from Page 1

which, she said, was included in her contraband list. The nature of the cargo of the fourth ship has not been disclosed.

Sweden was expected by informed Danish sources to take the lead in seeking a prompt settlement with Germany on the future of her sea trade since Germany gets more than 70 per cent of her requirements from Sweden.

Some observers said Sweden could halt all exports until negotiations with Germany could be completed. Whether she would use the ore exports as an argument was not disclosed.

Germany was said to have received a Swedish promise to maintain ore exportation when the war started, although informed sources believed the Stockholm Government based this on the maintenance of normal trade connections.

KEEPING SHIPS AT HOME
The effect of the war at sea was

felt in Stockholm today with a rise in war insurance rates on ships carrying wood pulp from 3 to 5 per cent. As a result, many shippers decided to keep their ships at home.

(A dispatch from Stockholm by way of London stated the Swedish Government had ordered suspension of all shipments of woodpulp, timber and cellulose "until the situation clears.") The possibility was expressed that exporters would ship overland to Norwegian ports to avoid the narrow German-dominated waters between Sweden and the North Sea.)

TRADE WITH BRITAIN
Denmark still was managing to export large quantities of food to Britain. According to official statistics more than 2,621,000 kilograms (4,792,410 pounds) of butter was shipped to Britain during the week ending September 24 out of a total of 10,000,000 to Germany.

felt in Stockholm today with a rise in war insurance rates on ships carrying wood pulp from 3 to 5 per cent. As a result, many shippers decided to keep their ships at home.

(A dispatch from Stockholm by way of London stated the Swedish Government had ordered suspension of all shipments of woodpulp, timber and cellulose "until the situation clears.") The possibility was expressed that exporters would ship overland to Norwegian ports to avoid the narrow German-dominated waters between Sweden and the North Sea.)

Saanich Fair Shows High-Class Exhibits In All Departments

Annual Fall Exhibition To Be Opened at 2 o'clock This Afternoon by Reeve Lambrick—Judges Comment on Quality

ALL Saanich roads today lead to Saanichton, where Reeve A. G. Lambrick at 2 o'clock will officially open the seventy-first annual fall exhibition of the North and South Saanich Agricultural Society.

Today is visitors' day, and will find everything in full swing, including the Highland dancing and school sports, which, apart from the regular details of the fair, will be outstanding features of the event this year. Yesterday was unofficial opening day, and found all hall exhibits as well as some of the smaller livestock entries in place. Judges and their assistants were also found busily examining the various classes, and were practically unanimous in agreeing that exhibits have never been of better quality.

The main hall certainly presented a very pleasing appearance, with a gay showing of flowers down the long central aisle, and the flanking tables and wall benches groaning under their freight of vegetables, fruit, bottled fruit, dairy products, home-cooking and other exhibits.

A number of changes and improvements have been made to buildings since last year. An arresting feature in the main hall is the arch over the main platform. This is the Welcome Arch erected by Saanich Municipality over the Gorge Bridge at the time of the royal visit last May. President George T. Mitchell will make his official thanks to the municipality for the gift at the time of the formal opening this afternoon. It is a distinct asset to the hall, where it will be preserved as a reminder of an historic event.

Other changes will be noted in the grounds. The old horse sheds, blown down in one of the big storms of last winter, have been replaced by new sheds erected on the north side of the grounds, a much better position, as it releases more room for the sports. A new platform has also been erected for use by the Highland dancers. The gift of Robert Brydon, of West Saanich, places the original platform (also his gift), which was destroyed by fire last year.

Many improvements will also be found in the log cabin which houses the pioneers' exhibits. Articles disadvantageously shown hitherto, will now be found neatly displayed in cabinets.

FAVORABLE COMMENT
"I have been judging here for many years, and have never seen a finer or larger showing of grains and field roots, particularly potatoes," said E. M. Straight, superintendent of the Experimental Farm, Sidney, referring to that part of the exhibit which he is appraising. Despite the fact that there was a slight falling off in the number of entries in the root classes, the quality, he stated, was excellent. He was particularly delighted with the standard of fall wheat. One lot, grown by W. D. Mitchell, Benmore Farm, would, Mr. Straight thought, be in the winning class anywhere across the Dominion. Mr. Mitchell, who in the past has been president of the fair, also of the Saanich Farmers' Institute, had evidently studied the information concerning standards and how to grow to attain these.

Similar comment was made by other judges. G. A. Robinson, Elk Lake, said he had nothing but praise for the flowers, which were the best he had ever seen at the

Waitress Pleads Guilty in Court

Eleanor Kilborn Held in Custody For Sentence on Charge of Obstructing Police Officer
Represented by Patrick J. Sinnott, a plea of guilty was entered by Eleanor Kilborn in the city police court yesterday to a charge that she unlawfully obstructed Sergeant Roy Woolley in the execution of his duty early Monday morning. The accused was remanded in custody for sentence this morning by Magistrate Henry C. Hall.

Sergeant Woolley swore that the accused interfered by closing the police patrol door when he was attempting to arrest an intoxicated Chinese on Plagard Street. He said she also imposed herself between the patrol and the accused.
Mr. Sinnott stated on behalf of the defence: "The accused woman is a hard-working waitress and has never been in trouble before. She became hysterical and did not know what she was doing. She is very repentant, and if Your Honor will deal leniently with the case, such an incident will not occur again."

IT'S NOT ALWAYS THE DRIVER'S FAULT
Careless Pedestrians and Cyclists Cause Many Fatal Accidents
Last year 8,790 pedestrians and 3,266 cyclists were killed or injured on highways in Canada. Official investigations proved that a large percentage of these accidents were caused by the carelessness of the pedestrians and cyclists rather than the driver of the automobile.
Don't put all the responsibility on the driver's shoulders. For your sake and his be careful.

G. I. Warren Believes Many United States Residents Will Come To Canada Next Year
The possibility of increased tourist travel from the United States to Canada because of the advantageous rate of exchange in favor of visitors to the Dominion, and of the fact that Americans on holiday cannot now visit Europe, was suggested yesterday by George I. Warren, Victoria publicity commissioner.
Mr. Warren suggested that the Dominion and Provincial Governments should immediately launch a campaign to promote United States tourist travel to Canada in 1940. He was convinced that if the exchange remained at or near its present rate, there would be a great inducement for United States residents to travel to Canada next year.
Any nervousness that might exist at present as to the Government regulations regarding the carrying of money into and out of Canada would quickly be alleviated when Americans obtained a full understanding of the effect of the regulations, Mr. Warren predicted.

SAY CHURCH'S TASK GREATER

Presbytery Members Discuss Need for Extending Work in Crisis

A need for the Church to broaden its activities and extend its influence in the present time of crisis was emphasized by members of the Victoria Presbytery of the United Church, meeting for the annual fall session at Metropolitan Church yesterday.

In a day filled with activity, with sessions from 9:30 in the morning until 10:30 at night, ministerial and lay delegates from nearly all island congregations reaffirmed their faith in the ability of the Church to meet the need of individuals and nations and in the adequacy of the Christian gospel for men of any age.

Central in the day's deliberations was the viewpoint that in one of the darkest hours of history, the Church's responsibilities had become greater than ever before, and every effort would have to be made not only to carry on, but to extend the work she was doing. Rev. F. R. G. Dredge, Victoria, in presenting the report of the foreign missions committee, declared that the Church should not curtail but ought to broaden its work at home and abroad, during the present crisis.

WILL CARRY ON

In keeping with the proposal of committee members that the programme of the Church should not in any way be restricted, the presbytery accepted the same responsibility to the missionary and maintenance fund for 1940 as it had taken

for 1939. On the recommendation of John Goldie, convenor of the missionary and maintenance committee, it was agreed that the presbytery would again undertake the collection of \$10,000 for this purpose for the year ending January 31, 1941.

Mr. Goldie's report paid tribute to the work of the late Arthur Lee, of Metropolitan Church, who was for many years one of the presbytery's strongest supporters, and who two years ago was elected first lay chairman of the presbytery.

At the closing meeting last night, consideration was given to arrangements for the visit of two members of the general council executive, Dr. J. W. Woodside, Ottawa, moderator of the United Church, and Dr. J. Arup, foreign missions secretary, who are making a trip to the Coast in October. It was announced that Dr. Woodside would be in Nanaimo on Sunday, October 15, and in Victoria the following Tuesday, Dr. Arup will preach in First United Church, Victoria, on October 15, and later will visit the Nanaimo area.

During the morning session Jack Ewan, recently appointed provincial boys' work secretary, was introduced to the presbytery, and gave an outline of the work being planned by the Religious Education Council for the coming year.

Committee reports presented and accepted during the day included the home missions report, presented by Rev. Bryce Wallace; the report of the committee on students, presented by Rev. Hugh A. McLeod; the report, presented by J. Johnston, and the nominating committee report, presented by Rev. J. Herdman, Cumberland.

LONDON, Sept. 26 (CP).—The body of Professor Sigmund Freud, originator of psycho-analysis, was cremated today at Golders Green after a non-religious ceremony. Freud died on Saturday of a recurrent heart ailment.

Church Leaders Say Personal Conscience Should Guide Action

Victoria Presbytery Declares It Is Duty of Every Citizen to Determine His Own Attitude With Regard to Present International Conflict

RECOGNITION of an urgent need for tolerance in the present conflict was the keynote of a two-hour discussion on the attitude of the church to the war in Europe at the afternoon session of the Victoria Presbytery in Metropolitan United Church yesterday.

In the keenest debate of the annual fall session of the Presbytery, ministers and lay delegates expressed themselves on the question of the role of the church in the present crisis. Following the presentation of the report of the evangelism and social service committee, by Rev. E. A. Whitehouse, Victoria.

The committee's report, unanimously adopted, after considerable discussion and an explanatory statement by Mr. Whitehouse, was that Christianity and democracy alike called for the individual to govern his actions by the dictates of his conscience.

PROPOSED CHURCH ACTION

With regard to action the church might take in the present crisis, the session endorsed the following recommendations of the committee:

"We call our people to repentance confessing our sin as participating in a world order which makes war possible if not inevitable.

"We should take such steps as part of the universal church to support the right of the church to spiritual freedom in every land.

"This could be established by the church striving by every means possible to maintain fellowship across international and racial borders, and by the church exercising a ministry of understanding and reconciliation, thus seeking to overcome hatred and world discord.

"Finally, the church should advocate the establishment of a world order productive of righteousness as the foundation of permanent peace."

In accord with the action of the Board of Evangelism and Social Service of the General Council of the United Church, the presbytery went on record as desiring to support activities induced by war, "which lead to the binding up of wounds and healing the broken hearted." Special reference was made to the work of the Red Cross Society in this connection.

TWO ARE SHOT IN GUN ACCIDENTS

COURTENAY, Sept. 26 (CP).—Jack Scott, of Denman Island, was accidentally shot on Sunday by another hunter who was unloading a 22 calibre rifle. The bullet penetrated Scott's elbow and abdomen. Scott was rushed to St. Joseph's Hospital in Comox, B.C. He is reported "doing well."

Norman Ward was shot accidentally in the leg with a 22 rifle while target practicing at Dove Creek.

AHEAD OF SCHEDULE

WASHINGTON, Sept. 26 (CP).—The United States Reclamation Bureau disclosed today a supplemental appropriation of approximately \$10,000,000 would be needed within the next few months if construction of Grand Coulee Dam in Central Washington were to continue at its present pace. It said the contractor at the dam was far ahead of schedule.

HOLES BORED IN TUGBOATS

Two Boats Sunk on East Coast of Island—Saboteurs Blamed

VANCOUVER, Sept. 26 (CP).—British Columbia Police today investigated the sinking of three tugboats on the East Coast of Vancouver Island last night as officials of one of three logging companies whose boats were involved blamed "saboteurs."

It was reported that two boats, one owned by the Bloedel, Stewart & Welch Company, and the other by the Campbell River Timber Company, had been sunk near Menzies Bay by boring holes in the hull.

SINKS IN SHALLOW WATER
A third boat, owned by Elk River Timber Company, was found sunk in shallow water at Campbell River. Cause of the sinking of the latter boat was unknown.

Officials of the Bloedel, Stewart & Welch Company said the sabotage may have been the work of someone with a "grudge" against the company. Elk River Company authorities said that their thirty-five-foot boat, used to carry workers to the booming grounds, "went down" overnight.

Obituary

McNAUGHTON—Rev. T. M. McAllister will conduct services at McCall Bros' Funeral Home this afternoon at 2 o'clock for John Rutherford McNaughton. The remains will be cremated at Royal Oak.

TURNER—Many sympathizing friends were present Tuesday afternoon at funeral services conducted for John William Lang Turner. Archdeacon Nunn officiated, during which one hymn, "Breathe On Me Breath of God" was sung. Representatives of the numerous organizations and lodge affiliations of which Mr. Turner was a member, attended the service. The large number of beautiful floral tributes received testified to the high esteem in which Mr. Turner was held. Interment was made in the family plot at Royal Oak Burial Park, with the following acting as pallbearers: D. G. Pennock, H. Curran, J. Trimble, E. Oakes, Capt. J. H. Catterall and T. Waterworth. S. J. Curry & Son had charge of funeral arrangements.

WILKINSON—Funeral services for William Wilkinson will be held at Sands Mortuary today at 3:30 o'clock. Rev. Hugh McLeod will officiate and interment will take place in the Royal Oak Burial Park.

BEARS—The remains of William Stephen Bears were forwarded yesterday by the B. C. Funeral Company to Hope, B.C., where services and burial will be held.

PASSES AT NANAIMO
NANAIMO, Sept. 26.—Samuel Horrocks, fifty-six, a native of England and a resident of Nanaimo for fifty-two years, died today. He worked in the mines here many years. He is survived by his widow and two sons, Delbert and Charles. He was a prominent member of the Eagles Lodge, under whose auspices the funeral will be held Thursday afternoon at Westwood First Funeral Home, with Mrs. Jones, of the Church of Spiritual Life, officiating.

NO EXCUSE—A motorist aged eighteen was fined \$10 in the city police court for speeding past a school zone. The court failed to accept his excuse that he drove an old car without a speedometer, and hence did not know that he was traveling faster than fifteen miles per hour.

PLEADED GUILTY—Joe Janz, Pun pleaded guilty in the city police court to a charge of unlawfully marketing potatoes by means other than through the agency designated by the B.C. Coast Vegetable Marketing Board, and was fined \$25, and \$250 costs. Evidence was given by Inspector Wilbert Boitric.

No Light—A cyclist who admitted having no light on his bicycle was fined \$2 in the city police court.

TO MEET THURSDAY—A meeting will be held in the Quadra auditorium on Thursday afternoon at 3 o'clock. Miss Fitz Gibbon will be present.

HEAVY FINE—For being intoxicated on Piggard Street, a Chinese was fined \$50, or in default ten days in jail, when he appeared in the city police court for sentence.

POLICE COMMISSION—General business and superannuation questions will be considered by the city police commission at 4 o'clock this afternoon.

COMMENCEMENT EXERCISES—On Friday afternoon at 2 o'clock, commencement exercises will be held in the Lamson Street School auditorium.

MATRESS STOLEN—The London Auction Rooms, 715 Pandora Avenue, reported to police yesterday that a mattress had been stolen from the premises. It was valued at \$15.

WILL SPEAK TONIGHT—Col. G. S. Worley, of the Red Cross Society, has kindly consented to speak at the public meeting to be held in the Gordon Head Hall tonight at 8 o'clock.

FORUM PLAN—Alderman Edward Williams, chairman of the forum committee, will preside at a meeting in the City Hall at 3 o'clock this afternoon. The afternoon anticipated that forum plans would be tabled until after the war.

COMMITTEE TO MEET—The Provincial Civilian Protection Committee will meet this afternoon to consider recommendations from metropolitan areas and for other business. E. W. Griffith, chairman of the group, intimated yesterday.

NO MARK—Kum So pleaded guilty in the city police court yesterday to a charge of marketing potatoes in a container not marked with the registered trade mark of the B.C. Coast Vegetable Marketing Board and was fined \$25 and \$250 costs.

SET HARVEST SOCIAL—St. Alban's Church committee met recently with Rev. F. Cowley in the chair. The date was set for the harvest supper and social, which will be held on October 11, Madames Chappell and Trickett to be conveners.

PAYS PENALTY—Quan Chee pleaded guilty in the city police court to a charge of unlawfully purchasing potatoes wholesale from an agency other than that designated by the B.C. Coast Vegetable Marketing Board and was fined \$25.

MAKES CLAIM—In a letter to the City Council, C. Massick requested payment of \$31.75 for out-of-pocket expenses occasioned when his house was placed under quarantine for a case originally diagnosed as scarlet fever. Mr. Massick claimed the diagnosis was incorrect.

CABINET MEETING QUIET—Routine departmental affairs were considered at the first Cabinet meeting of the day. Premier Pattullo said yesterday. The Premier declined comment on press reports that gasoline prices in Canada might rise due to wartime conditions; remarking, however, that the report had been noted.

VICTORIA'S TEMPERATURES—Maximum and minimum temperatures recorded yesterday at the Dominion Meteorological Observatory by Governor Hill were 59 and 38 degrees, respectively. The maximum temperature at Victoria College was 60 degrees and the minimum was 51 degrees.

LEAVES FOR TORONTO—Hon. John Hart was scheduled to leave New York last evening for Toronto and Ottawa, on the course of his visit in the East, where, as Minister of Finance, he initiated a bloc of British Columbia debentures issued in connection with the provincial borrowings of last Spring.

NEW DWELLING—Arthur A. Baker secured a \$20,000 city building permit yesterday for the erection of a four-room dwelling at 25 Leila Avenue. V. L. Leila is the contractor. The house will measure twenty-four by thirty-one and one-half feet with a half basement, six floors and shute exterior walls.

NO EXCUSE—A motorist aged eighteen was fined \$10 in the city police court for speeding past a school zone. The court failed to accept his excuse that he drove an old car without a speedometer, and hence did not know that he was traveling faster than fifteen miles per hour.

APPLE GROWERS TO BE HELPED

Federal Government to Buy Part of B.C. Crop if Left Unsold

OTTAWA, Sept. 26 (CP).—To cope with the wartime loss of Canada's apple market in the United Kingdom, the Dominion Government last night announced a comprehensive policy designed to meet the separate regional needs of the apple industry in the Maritimes, in Quebec and Ontario, and in British Columbia.

The plan provides for Government purchase of 1,500,000 barrels of export varieties in Nova Scotia, which will be processed by canning and drying. This may be expanded by an additional 250,000 barrels if conditions warrant.

In British Columbia, the Government will purchase up to 500,000 boxes of export varieties if unsold by next March 31, or earlier if mutually agreeable.

Ontario and Quebec growers will be protected from possible dumping of the surpluses from British Columbia and Nova Scotia by zoning restrictions, tending to preserve the Central Canada market for growers in that zone.

The plan also provides for stiffening of grading regulations in the domestic market and a nationwide advertising campaign to increase consumption in Canada.

The announcement was made after a four-hour Cabinet session which approved the scheme worked out during the last ten days by the agricultural supplies committee, headed by A. M. Shaw, marketing director. Departmental representatives conferred four days before that with a delegation of apple shippers and growers.

The problem was what to do with that half of Canada's apple crop normally exported to the United Kingdom. About half the British Columbia crop and more than 80 per cent of the Nova Scotia crop are usually exported. Of 2,897,000 barrels exported last year, 2,500,000 barrels went to the United Kingdom.

Since the Canadian home market could not consume the entire crop, Hon. J. O. Gardiner, Agriculture Minister, submitted a detailed plan to the Government aimed at relieving the situation.

The basic price to be paid British Columbia's apple industry for a maximum of 500,000 boxes is \$105 a box.

British Columbia will have the "right-of-way" in the Western Provinces, with a limited market in the Central Provinces at a certain part of the year. Ontario and Quebec are to have the major share of the best home market in Central Canada and Nova Scotia will have the Maritime Provinces.

SAYS RECRUITING STILL GOING ON
Brigadier Stewart Pleaded With Mobilization—Only Coastal Defence Units Filled

VANCOUVER, Sept. 26 (CP).—British Columbia has 6,500 men under arms. Brigadier J. C. Stewart, Commander Commanding Military District No. 11, said here tonight, after he had inspected Vancouver's troops.

"I am very pleased with the progress they have made," he said after the inspection. "The whole mobilization has been most satisfactory. It has gone ahead slowly and thoroughly."

"Recruiting is still going on. Only the coastal defence units have stopped enlisting. The Princess Patricia's (Light Infantry), the Seaforth and the Westminsters (Regiment) still need men."

PULL DOWN BLINDS
"This tells you to pull down the blinds," continues Miss Potter, "not to pull the communication cord or get out of the train if it has pulled up off the platform, and if possible to lie down on the floor. On arriving at your destination, you find the village in blackness, without a spark of light anywhere, unless it is from a cigarette or a pipe. If it were light enough to see, you would find the chemist's shop is shattered, and the postoffice, the bank, the store and a few houses."

Miss Potter says that the village where she lives received hundreds of the women and children evacuated from London. Most of them from poor homes, who arrived very badly clothed, but all very clean. She tells about attending first aid classes and says "how we may have to put some of our theory into practice, if the emergency arises."

SUSPENSE ENDED
Six comments on the strain of the Sunday morning that war was declared, relating how they hung over the radio to get the latest developments. "When at last we heard Mr. Chamberlain tell us the worst, in a way it was a relief to have the suspense ended," she says. "But it certainly was heart-breaking to hear such a sad speech from such a great statesman, with all his efforts of a lifetime smashed and ended."

Concluding her letter, Miss Potter remarks: "All cinema and places of entertainment are closed and except for church services in daylight only, no people are allowed to mass together in large numbers. We are all compelled to carry our gas masks to work every day, and some business firms will not allow their employees to stop at work without them, and when moving from one office to another, employees must take their masks with them."

GLASGOW, Sept. 26 (CP).—Nineteen crew members of the liner Athenia, including Hanshan-Baird, a stewardess from Verdun, Que., lost their lives when the vessel was torpedoed September 4, operators of the liner announced today.

"Hello, Daddy!"

Daddy was just back from a sales trip to the Magdalen Islands on Canada's eastern doorstep. To him it was routine. To little Ruth it was a chance to stay up late and hear stories...

"Twice as many people live on that ridge of Davy Jones' Locker as in the Yukon," he told Ruth and her mother; "yet they have no newspaper, no movie, few roads. It takes real seamanship to bring a ship in safely. Wrecks? Why, years ago a shift in the wind put 17 schooners ashore there in an hour! The islanders used to be cut off from the world for months. They got so peeved about it that they filled a barrel with letters to the Governor General and everybody, and set it adrift with a sail marked 'Winter Magdalen Mail'. It had the desired effect. Today the islands are one of Canada's most difficult air mail landings; but the intrepid air-men get in..."

His wife said, "So do Imperial salesmen!" She might have added that Imperial salesmen visit all the out-of-the-way regions in the Dominion from Labrador to the Yukon. No outpost is too remote, no hardship too great; for it is their mission to see that no one anywhere is without tobacco, the solace of solitude.

Tables Win Prizes at Silver Tea

More than 300 persons attended the silver tea and table display competition held by the groups of the Women's Association of First United Church in the gymnasium yesterday afternoon, under the general convenership of Mrs. A. S. Christie, president of the general executive. The proceeds were in aid of the church funds.

Leaders of the fourteen groups each convened a table for which prizes were awarded for attractiveness and originality. Mrs. Ernie Maynard and Mrs. Harry English were the judges, and the awards went to the Summit Group, arranged by Mrs. H. D. Hutchinson, and the Oak Bay Group, under Mrs. M. Dorman and Mrs. R. H. McDougall. The prizes were presented to the winners by Mrs. Hugh McLeod, and the judges were thanked by Mrs. R. W. Mayhew. Honorable mention was made of the table which represented the industries of British Columbia.

A splendid programme was arranged by Mrs. A. G. Gledhill and included vocal solos by Mrs. W. H. Wilson and Mrs. Charles Goodwin, and readings by Miss Hope Denbigh, Miss Kathleen Irving and Mrs. W. G. H. Firth were the accompanists. Rev. Hugh McLeod spoke briefly, and Mrs. Walter M. Walker made the vote of thanks to the artists.

Cowichan W.A.

The monthly meeting of the W.A. of Cowichan Hospital Association was held at the Nurses' Home yesterday afternoon, the president, Miss Lucy Kingston, in the chair. Miss M. Peterson, the recently-appointed matron, was a guest. A report was sent in by Mrs. Neil Melver, convener of the purchasing committee, that material had been purchased and screens made for the small ward for men. A letter was read from an I.O.D.E. branch at Vancouver supporting the appeal sent from Esquimalt for new clothing for children evacuated from congested areas. No action was taken as it was felt that there would be no possibility of the appeal, with the many other local organizations. The date for the annual hospital bazaar was fixed for December 9. As the Agricultural Hall will probably not be available because of the war, it was decided to try to secure the United Church Hall for the date. Tea was served after the meeting by Miss Kingston and Mrs. A. X. Rey.

ARTICLE No. 4

By Robert G. Jackson, M.D.

ROBERT G. JACKSON, M.D.

MARTHA Berry is one of civilization's shrewdest producers. Born an aristocrat seventy years ago, she grew to be one of the loveliest of the lovely women of the South. Years ago, in a large log cabin on the Berry Estate at Rome, Ga., erected by her father as a playhouse for the children, she began to teach and train the rugged, half-starved children of the "hill billys" and "poor white trash." For her reward she gained the love and admiration of her family and friends, but Martha steadfastly pursued her life's great aim, to elevate and save the sunk'n South. Her father's death left her heir to 350 acres of land and much money, all of which she promptly devoted and assigned to the Berry Foundation for reclaiming the "neglected children of the South." Those 350 acres have become 37,000; the solitary log cabin has become more than sixty splendid buildings where "boys and girls," sometimes in the thirties, learn to read and write, go through grade and high schools and graduate from college with useful citizenship assured for them. Martha Berry is one of the great women of the world. Every year her "boys and girls" wear out two full sets of my books, and my cereal Dr. Jackson Meal (formerly Roman Meal) and my beverage Kof-Soh, are synonyms for health throughout these great schools. Why? Because this great Chasteline has instilled in her entire staff the necessity of always being well. They find in my books and meals the best known means to that end. Reader, so may you. My cereals and beverage are on sale at all grocers. My book "HOW TO BE ALWAYS WELL" is available by mail for \$3.00. Address me at Toronto 9, Ont.

NOTE—Soon I'll be lecturing all across Canada at principal points. Watch for dates. Come and learn about my methods, admission free. **FREE**! For valuable free literature on food and health write Dr. Jackson Foods Ltd., 376 Vine Ave., Toronto.

Social and Personal Will Be Married Here on October 14

Delightful Party

Mrs. C. Bloomfield and Mrs. Max Bloomfield were hostesses last evening at a surprise linen shower at their home on Beechwood Avenue in honor of Miss Madeline Fridmore, who is to be married to Mr. J. Randall on Saturday, October 21. The rooms were made into a bower of flowers, and in the living-room was a grass mat in the middle of which stood a small white house trimmed with a red roof and shutters, and on the lawn in front were two miniature Boston terriers guarding the gifts of linen. The guest of honor received a bridal bouquet of white and pale pink asters showered with swags, and little Mary Foxall made the presentation. Corsage bouquets were given to the bride's mother, Mrs. H. Fridmore, and the groom's mother, Mrs. J. Randall. Games were won by Mrs. Pat Payne and Mrs. R. Kater. A buffet supper was served in the dining-room where a bridal cloth covered the table. A silver rose bowl filled with pale pink and white asters centered the table, and silver vases in silver candlesticks gave a fascinating glow to the table appointments. Among the guests were Mesdames H. Fridmore, James Randall, R. Taylor, G. Gilson, R. Gilson, J. Warnock, R. English, G. Williams, P. Buglas, J. Newlands, J. Smithson, A. Gray, R. Conway, M. Bonner, Pat Payne, Vesla, J. Small, B. Mitchell, E. Buglas, R. Kater, A. G. Tyler, H. Gray, H. Anderson, J. Webb, and Misses M. Gilson, Dorothy Warnock, I. and P. Labster, Betty Randall, Sue Ferrie, Eileen Ferrie, Eileen Porter, Jean Deane, C. Simpson, M. Leonard, F. Ferrie, Pauline Vincent, A. Kater and Elsie Anderson.

Gifts in Ship

Miss Jean Pynn, whose marriage to Mr. Robert Lincoln Smith, Seattle, takes place on Saturday, was the guest of honor on Monday evening at a miscellaneous shower given by Miss Isabel McAlpine, Quadra Street. Gifts were in shades of pink, looked lovely in the reception rooms. As she entered the living-room, the bride-to-be was presented with a corsage bouquet of pink roses, and discovered a ship in full sail awaiting her. In the hold the gifts were stowed away. Miss Gladys Cook and Jean Pynn were the winners of the games. Mrs. H. Robinson poured tea when the buffet supper was served. A rose-bowl filled with pink asters formed an attractive centerpiece for the prettily-arranged table. The guests were Mesdames A. Pynn, W. Pynn, H. Robinson, A. Atkinson, G. Jones, W. McAlpine, R. N. Sutherland, and Misses Betty Pynn, Marjorie Delmastro, Gladys Cook, Mary Pynn, Florence Siedle, Kay Gregson, Elsie Dunk, Peggy and Dolly McAlpine.

Gifts in Wishing Well

A color scheme of mauve and white was used at the miscellaneous shower given last evening in honor of Miss Pearl Findlay, a bride-to-be, by Mrs. L. E. Bond and her daughter, Mrs. Peris Atkinson, at the former's home, 1139 Palmer Road. The pretty and useful gifts were concealed in a wishing well placed under a mauve and silver rainbow. A dainty bride and groom stood at one side of the well holding white streamers attached to two silver hearts on the other side. Miss Findlay also received a corsage bouquet of mauve and white sweet peas, presented by Masters Ronald Atkinson and Edgar Pugh. The evening was spent playing games, and a buffet supper was served. The guests were Mesdames P. J. Findlay, S. Graham, C. Carter, W. E. Bond, E. Durrell, N. Brown, Lindley, W. Bond, J. E.

Pugh, O. G. Bond and Misses Iona Findlay, Marjorie Durrell, Irene and Lorraine Lindley, Iona and Carol Bond, Lillian Atkinson, Grace Hall, and Margaret Bond, Edmonton.

Entertained at Shower

Members of the Fellowship Circle, King's Daughters, entertained on Monday evening at a miscellaneous shower given in compliment to Mrs. E. Lee-Warner, nee Humphries, at the home of Mrs. H. V. Mills, Moss Street. A box decorated with green and yellow and filled with gifts, was presented to the guest of honor, together with a corsage bouquet. A buffet supper was served from a table centered with yellow helianthus, at which Mrs. Mills presided. Special guests of the evening were Mrs. G. Humphries, Mrs. Hubert Wilders and Miss Mack Humphries, others present being Mesdames H. Portingale and A. Stark, Misses Eleanor Aarons, Elnie Hunter, Margaret Johnston, Dolly Jordan, Patricia Kingsbury, Margaret Partington, Nellie Phillips, Jessie Robertson, Betty Thom, Bernice Urwin, and Audrey Waring.

Party for Bride

A pleasant evening was spent recently at the home of Mrs. L. H. Noble, Wollaston Street, when Mrs. Noble and Miss Isabelle Sloan entertained in honor of Mrs. Stanley Pocock, formerly Laura Coldwell. The bride received red carnations and was presented with a standard lamp from the assembled guests. Games were won by Mesdames J. Ward, D. McMillan and Misses Peggy and Nellie Merton. Refreshments were served from a table covered with a lace cloth and centered with red and white stocks. Mrs. H. Holmes and Miss Nellie Merton assisted in serving. The guests were Mesdames M. Coldwell, C. Coldwell, S. Emery, J. P. Morgan, J. Ward, R. Elwood, D. McMillan, J. Sloan, H. Holmes, L. H. Noble, and Misses F. Mocher, P. and N. Merton, G. Phillips, E. Keeler, R. McMillan and I. Sloan.

Guest at Party

Miss Gladys Lindsay, whose marriage to Mr. Victor Zala will take place on Saturday, was the guest of honor at a surprise kitchen and laundry shower given recently by the girls of the Northwestern Creamery at the home of Miss Lorna Elliott. The bride-to-be received gardenias and the gifts were in a clothes basket. Games were played and refreshments were served from a prettily-appointed table centered with a large ice cream cake. The invited guests were Mesdames D. J. Lindsay, W. T. Zala, A. E. Edlott, J. Oakman, C. Hannah, M. Ingram, A. Beere, and Misses Dorcas Beere, Hilda Fairhurst, Lorna Farrell, Muriel Giel, Lillian Johnson, Florence Jones, Ella and Iona Mitchell, Iona McDermid, Pearl McGary, Gladys Rawlings and Edna Watkins.

Christening Ceremony

At Christ Church Cathedral on Sunday, Rev. A. E. G. Hendy christened the infant daughter of Mr. and Mrs. J. G. Berryman, 3137 Donald Street, the child receiving the names Bernice Mary, and the infant son of Mr. and Mrs. R. Huddleston, who received the names Robert Reid. After the ceremony, Mr. and Mrs. Huddleston entertained the godparents and a few friends to tea at their home on Fairfield Road.

"LIBRA" If September 27 is your birthday, the best hours for you on this date are from 10:30 a.m. to 12:30 p.m., from 2:30 to 4:30 p.m., and from 8:30 to 10:30 p.m. The danger periods are from 8:30 to 10:30 a.m., from 6:30 to 8:30 p.m., and from 10:30 p.m. until midnight.

By displaying the courage of your convictions you may carry out your ideas and plans successfully this day. Half-way measures are apt to accomplish very little, so it might be good judgment not to resort to them. This is a day when you ought to take your time to make up your mind in adopting any measure or course of action, and then adhere to your decision. Weakness of character will be betrayed by indecision and any lack of firmness. Posturing or posing in public is apt to arouse a great deal of ridicule and unkind comments that might be far-reaching through the unfavorable reactions which they are liable to create. It will be unwise to do anything to your personal appearance that might tend to make you conspicuous. The average person seemingly will be in

Large Contracts Are Awarded for Work at Airport

The general contract for the construction of a landplane hangar at the Patricia Bay station of the Royal Canadian Air Force, has been awarded to the Carter-Halls-Aldinger Company, Ltd. It is announced by officials of the company. The cost of the hangar is estimated at \$150,000.

Dawson, Wade & Company, Ltd., received the contract for drainage work and surfacing the runways at the Patricia Bay airport. This work has already begun, and will be completed early next year. The departmental estimate for the project was \$240,000.

FRENCH STRENGTHEN POSITION STEADILY

Continued from Page 1

On the eastern end of the north flank the French communiques said that a German surprise attack at dawn in the Lauter River Valley was repulsed. Dispatches said a German raiding party attempted to take a farm near the no man's land village of Saint Paul, north of the French border town of Wissembourg, but was turned back.

French troops, after three weeks of fighting through Siegfried Line outposts, were said to have come into contact with a principal field of pillboxes and trenches around Hornbach. This is one of the points where the line curves closest to the frontier.

OBJECTIVES ATTAINED

BASEL, Switzerland, Sept. 25 (AP).—French forces were reported in advance reaching Basel today to have attained a number of limited objectives set at the beginning of a series of attacks launched Saturday along a forty-mile stretch on the Western Front.

Only before the towns of Zweibrücken and Pirmasens, in the central sector, fifteen and thirty miles east of the industrial town of Saarbrücken, were the French attacks said to have been thwarted by the Germans.

The central area was reported to have been the scene of a heavy German counter-attack this afternoon, following three days of resistance to the French attacks.

CHANGED FIVE TIMES

Dispatches reaching Basel said the fighting had been so intense between small, picked forces since Saturday that the village of Bottenbach, just north of the frontier between Pirmasens and Zweibrücken, changed hands five times.

GWENDOLYN M. GARDINER

DAUGHTER of Postmaster and Mrs. G. H. Gardiner, who has just completed her nursing training at Jubilee Hospital, left on Monday for Eastern Canada on a six weeks' holiday. She will motor from Ontario to Sidney, Nova Scotia, to visit friends.

These reports said several squadrons of German planes co-operated with Nazi land forces which were said to have struck south from the main Zweibrücken-Pirmasens road, bombing trenches and pillboxes around the French fort just north of Bottenbach.

AFFECTS SALMON

Roughly one-third of British Columbia's \$12,000,000 salmon pack will be affected by the federal sales tax. The tax, however, will not apply to the remaining two-thirds of the pack, sold for export. Based on last year's pack, the domestic sales of

canned salmon would bear an added impost in the neighborhood of \$320,000.

BUYS FREIGHTERS

For the reported price of \$2,500,000 Brazil has purchased from the Moore, McCormick Company fourteen ships built at Hog Island during the first Great War. The vessels have been operated by the American Scantic Line and are of 7,500 tons each. The United States Government consented to the sale and permission to change to Brazilian registry. Finances for the purchase, amounting to 65 per cent of the total cost, was arranged through the Export and Import Bank of New York.

It was stated the permission to sell and change the flag was a desire on the part of the United States Government to show by action instead of words the solidarity between the United States and the Americas on the eve of the meeting of American republics, which is now convened at Panama City.

LOST PLANE IS LOCATED

Machine Missing Since July Found in Bushlands Of Quebec

MONTREAL, Sept. 26 (CP)—Word of the discovery of an airplane, in which two men disappeared on a Quebec hinterland flight last July 3, was received today at the office of Dominion Skyways, Ltd.

The company received a message from a pilot who said he discovered the plane in the bushlands on the north shore of the St. Lawrence River, about opposite the west end of Anticosti Island. The plane, the report said, is intact, and a note had been left to say Pilot Clifford Frechette, Quebec, and his twenty-three-year-old radio operator, Edward Guyon, Montreal, had started a bushland trek down to the river shore in the hope of reaching civilization. The note, dated August 4, indicated the two men had remained by the machine for a month before starting out in search of help.

The men had emergency supplies sufficient to last six or seven weeks, and company officials said fish and berries were plentiful all through the district, a wild section of the province about eighty miles from the north shore of the St. Lawrence River.

FORCED LANDING

Apparently a forced landing was made by the two youthful aviators on July 3, when they started out on a comparatively short flight between Sandpoint Lake and Montebello. No reason for the landing was given in the note left in the machine. One plane already is searching for the men, and two others will join them within the next couple of days to resume the air search that started when the men were first reported missing. At one time more than a half-dozen planes combed the isolated area, but it was not until today the plane was reported found.

HOW TO COUNT SHEEP

Jimmy, who was a thoroughbred Irishman, was employed on a farm. One day he was told to go and count the sheep belonging to the farmer who employed him. There happened to be six of them in the field.

Farmer: "Well, Jimmy, have you counted them?"

Jimmy: "Yes, sir. I managed it. There was one together, two by themselves, and three among one o' Parkers."

HUNGRY GERMANS FED BY BRITISH

Comradeship of Sailors Brings Much-Needed Food to Crew Of Nazi Freighter

BOSTON, Sept. 26 (AP)—Comradeship of men who go down to the sea in ships triumphed over the bitterness between nations at war today and brought a German crew of a tied-up freighter here food for their empty larder—the gift of a British ship.

Wearily after a long trip from New Zealand, the crew of a British freighter put in here with a cargo of wool and hides after a round-about, zig-zag course.

The vessel tied up here a short distance from the Pauline Friedrich, a German freighter which stopped here when war started. Rations were short on the German ship, Sunday, her crew of twenty-six finished the last of them—a batch of spare ribs topped off by a basket of apples.

Word of the Germans' plight reached the skipper of the British vessel and his chief officer.

"But they're Germans," said the man who brought the news from the captain and chief officer suggested sending over some food.

"Well, what of it," retorted the chief officer, "they're humans, aren't they. Send it over."

Back went the British boat's invitation. Two husky Germans responded.

They carried away a side of beef.

REDS MOVE WITHIN GAME OF NATIONAL PENNANT

VICTORY TODAY IN THIRD FIXTURE TO DECIDE FLAG RACE

Cincinnati Divides Double-Header With St. Louis, Winning 3-1 and Losing 6-0—Walters Will Pitch Today Against Cardinals—Dodgers, Giants Split—Browns Set Losing Record

By The Canadian Press

BILLY Myers propelled the Reds to within one victory of their first National Baseball League pennant in twenty years yesterday, his home run with two aboard defeating the St. Louis Cardinals 3-1, in the first game of their crucial double-header and making it relatively unimportant that the Cards came back to take the second, 6-0.

It was that first game that Manager Bill McKechnie wanted. When it was in the bag, thanks to Myers' big blow and some stout-hearted pitching by the freshman star, Gene

Thompson, Bill relaxed and took a flyer on the nightcap.

In the second inning of the opener, Myers, with Ernie Lombardi and Harry Craft on base, caught one of Curt Davis' fast ones on the nose and bounced it over the left field wall. That was the ball game.

It probably was a painful anticlimax for the howling crowd of 34,194 who paid their way into Crosley Field expecting the Reds to mop up and close the race, when Bill nominated "Lefty" Lee Grissom to pitch the second game.

GOES TO SHOWERS

The Cards knocked Grissom from the hill in the first inning. Scored four runs off him and his immediate successor, "Red" Barrett, and ruined the game right there. But it didn't bother Bill. He had saved his ace, Bucky Walters, for tomorrow, and he expects Bucky to administer the knockout.

Brooklyn Dodgers, by dividing a double-header with the New York Giants, earned a 12-10 edge in the series between the two clubs.

Giants won the opener, 9-5, but the Dodgers came back, with Luke Hamlin pitching a fine four hitter, to win the seven-inning nightcap, 3-2.

Steady hurling by Kirby Higbe gave the last-place Phillies a 5-3 victory over Boston.

The Browns set a new all-time record for St. Louis American Baseball League club defeats, when they dropped their 108th and 109th games of the season to Detroit Tigers, 5-4 and 7-5.

The major league record for defeats is 117 by the Athletics in 1917.

Tigers came from behind to win both games, although Joe Galloway, Brownie outfielder, was the star with three home runs. Two of them were in the nightcap.

Philadelphia Athletics defeated Washington, 15-4.

Preparing for Knights on Saturday

MEMBERS of the Victoria Reveliers entry in the Big Four Canadian Football League, caught by The Colonist cameraman during a recent workout at Macdonald Park, as they continue training sessions for their opening league match on Saturday afternoon at the same enclosure at 2:45 against the Knights of Columbus, of Vancouver. Despite the fact that Manager George Deacon has lost several players due to enlistment in the army and navy, he has the remainder of the squad in good condition and is hoping to give a good

Football School Will Be Operated Here This Winter

TENTATIVE plans for the operation of a football school here this winter, along the same lines as the baseball school at Royal Athletic Park, have been made, soccer officials announced yesterday. The project will be carried on by the Lower Island Football Association with the co-operation of the Provincial Recreation Department. The school is open to anyone interested in learning to play soccer, and those wishing to enroll are asked to report at Royal Athletic Park, Saturday morning at 10 o'clock.

COAST LEAGUE

LOS ANGELES, Sept. 26 (AP).—Los Angeles advanced tonight to the finals of the President's Cup play-off series by defeating Seattle, Pacific Coast League pennant winner, 2-0. It was the Angels' third straight victory over Seattle. The victory enabled Manager Truck Hannah's team to reach the final series against Sacramento, starting Thursday night at Sacramento. Sacramento, which finished fourth in the season's standing, beat San Francisco in the other semi-final play-off series.

Lefty Ray Prim, of the Angels, had Seattle at his mercy tonight. He allowed only five hits and was especially effective in the clincher, 2-0. It was the Angels' third straight victory over Seattle. The victory enabled Manager Truck Hannah's team to reach the final series against Sacramento, starting Thursday night at Sacramento. Sacramento, which finished fourth in the season's standing, beat San Francisco in the other semi-final play-off series.

COLOMBIA WIN.

ROCHESTER, N.Y., Sept. 26 (AP).—With Leroy (Bud) Parmelee serving up four-hit ball, Louisville defeated Rochester Red Wings in the opening game of the Little World series tonight, 7-0.

The Colombians, going along on a 2-0 lead until the ninth, scored five times in the final frame.

The Colombians, representing the American Association in the twenty-first renewal of the series with the International League, contributed eight-run support and a rousing eleven-hit attack to Parmelee's shutout.

ROWE LEADS GRID LEAGUE

Victorian at Top of Individual Scoring Race in Western Rugby Loop

WINNIPEG, Sept. 26 (CP).—Paul Rowe, Victoria boy who went to Calgary Bronks last year after starring with University of Oregon football team, leads the individual scoring race in the Western Inter-Provincial Union with twenty-nine points.

With twelve games played of the four-team league's twenty-four-game schedule, the great Calgary, plunging halfback has scored four touchdowns and kicked nine extra points from placement. Two Winnipeg Blue Bomber halfbacks, Andy Bleber and Wayne Sheley, are tied for second place with twenty-five points, five touchdowns each.

The power of Bombers, unbeaten this season, is seen in the fact two other Winnipeg backfielders, Joe Nicklin and Greg Kabat, rank fourth and fifth with twenty-one and nineteen points. Clarence (Toor) Springstein, 250-pound Regina lineman who moved up to senior company only this year, has kicked seventeen points for sixth place. The next four positions are held by Bronks.

Officials Release Schedule Of Games in Big Four Football Loop

VANCOUVER, Sept. 26 (CP).—Officials of the Big Four Canadian Football League today released the season's schedule, which opens on Saturday with Knights of Columbus meeting Victoria at Victoria and North Shore clashing with Varsity here.

It was announced that all play-offs in the league will be under the Shaughnessy system. Teams finishing first and third will play a sudden death game, as will the second and fourth-place teams, the winners meeting in the final.

The complete schedule:
Sept. 30—Varsity vs. North Shore; K.C. vs. Victoria.
Oct. 7—Victoria vs. Varsity.
Oct. 9—K.C. vs. Varsity; North Shore vs. Victoria.
Oct. 14—Varsity vs. Victoria; North Shore vs. K.C.
Oct. 28—Victoria vs. K.C.
Nov. 4—North Shore vs. Varsity.
Nov. 11—Victoria vs. North Shore; K.C. vs. Varsity.
Nov. 18—Play-off at Victoria and Vancouver.
Nov. 25—Final play-off at Vancouver.

VANCOUVER, Sept. 26 (CP).—Maurice Van Vleet, athletic director at University of British Columbia, tonight said he would enter a team in the Inter-Collegiate Football Union loop "if satisfactory dates for games can be arranged."

Van Vleet said University of Alberta had invited the British Columbia team to play in Edmonton, October 14, and University of Saskatchewan in Saskatoon, October 18.

"It all depends on Saskatchewan," the director said. "We are just waiting for word from them since they have already suggested that U.B.C. play on the Prairies, October 7, 9 and 11, and we don't know whether the later dates will be suitable."

"If arrangements can be made to play October 14 and 18, in all probability we can make the trip."

California Riders To Compete Here in International Meet

Quartette of San Jose Speed Demons Will Be Seen In Action at Victoria Cycledrome — Match Races and One-Hour Team Event Carded

Victoria's ever-increasing army of bicycle racing followers have a real treat in store tomorrow evening at the Cycledrome, Douglas Street and Burnside Road, when the Victoria Cycling Club will present its first international racing programme. Details in connection with the programme, the largest of its kind ever planned locally, were completed yesterday. The meet will be staged under floodlights and will get under way at 8 o'clock.

Here after carrying off a major share of the honors in the monster international bicycle racing programme in their home town, Louie Ropdoni, Otto Kuhl, Freddie Hempler and Carl Poe, from San Jose, Cal., will match their speed with Victoria's ace speedsters in what promises to be a grand show. Each of the visitors is a champion in his chosen pastime, and the local stars will have to be at their best to take any share of the prizes.

Otto Kuhl is probably the outstanding performer with the quartette of American riders, and holds the National Cycling Association's sixty-two and a half-mile road championship. Ropdoni and Hempler represented their home city in the national six-day amateur championship meet held at Chicago. The latter is also the winner of three 100-mile road races held at San Jose. Poe is rated as one of the leading sprinters on the Pacific Coast, and last year gained recognition as the speediest performer over short distances on the San Jose pine saucer.

With such high calibre of opposition, Victoria's four leading performers—Neil Duval, Eric Whitehead, Gar Warren and Gordie Bell—will have to be at their best to grab the honors.

FEATURE ATTRACTION

The feature of the attractive international programme will be the one-hour team race, with the Californians pitted against the locals. Poe and Kuhl and Ropdoni and Hempler will team up for the visitors, while Neil Duval and Eric Whitehead and Gordie Bell and Warren will be the local squads.

Another interesting item will be the four matches of six laps, with American and Canadian speed demons battling for victory on the local saucer. The drawing for the match races follows: Louie Ropdoni vs. Neil Duval; Freddie Hempler vs. Eric Whitehead; Carroll Poe vs. Gar Warren; and Otto Kuhl vs. Gordie Bell.

Neil Duval and Gar Warren, the riders from San Jose will meet with some real opposition.

Without a question of a doubt the largest racing meet of its kind ever attempted in this city, tomorrow's international programme should break all attendance records since the opening of the new \$3,000 Cycledrome a few months ago.

The complete programme follows: Novice class, one mile, selected; one mile open, sprint every lap; five-lap race, boys under fifteen; class "B" miss-and-out; four international match races, Victoria vs. California; class "B" six-lap sprint; one-hour international team race, Victoria vs. California.

AT THE ZOO

Father: "Yes, that lion could kill me with his paw and eat me up."

Little Elsie (wide-eyed): "Daddy, if the lion comes out of his cage and eats me up, what has he done to me?"

Joan Fletcher Is Winner of Keenly Fought Golf Game

Young Uplands Shotmaker Eliminates Miss Peggy Hodgson, Defending Titlist, in City Championship at the Twenty-First Green — Mary Thorne Beats Marjorie Todd, 5 and 3

Peggy Hodgson's reign as women's city golf champion came to a sudden halt yesterday as match play opened in the annual tournament at the Uplands course. The crown she listed for the first time last year at Oak Bay from Mrs. E. Jackson, who captured the medal honors on Monday by three strokes from the rest of the field, was pried loose by Joan Fletcher, young home club shotmaker, at the twenty-first green, the third extra hole of the battle. Miss Hodgson's putter behaved badly during the match. She missed putt after putt, green after green, and these mistakes cost her the title, without a question of a doubt.

At the twenty-first hole, the defending titlist put her tee shot out of bounds and then missed a short putt for a half, and it was all over. On the other hand, Miss Fletcher played steadily and took advantage of every opportunity in sight.

Mrs. Jackson advanced to the next round with an easy 6 and 5 victory over Maureen Hill, young Gorge Vale member, while Mary Thorne, Macaulay Point contender, sprang a big surprise by trimming Marjorie Todd, Oak Bay club swinger and three times a champion, 5 and 3. Mrs. James McIlraith, runner-up a few years ago to Mary Mackenzie-Grieve at the Colwood links, turned back Miss Evelyn Todd, sister of Jimmy Todd, 5 and 4. It was the first tournament for Miss Todd, who qualified on Monday with an 88, a card which included an eight on the last green.

Miss M. Sutcliffe won from Mary Young, 3 and 1, while Mary Mackenzie-Grieve, also a former titleholder, had no trouble defeating Miss O. Silburn, 7 and 6. Mrs. Art Dowell, the provincial monarch, eliminated Miss J. Robinson, 5 and 3, and Mrs. C. Brown took the measure of Mrs. A. M. Boyd, one up, in the second closest battle of the day.

COMPLETE RESULTS.
Complete results follow:

Will Guard Nets for Alerts Tonight

ERNE GAWLEY

NET custodian for Manager Harry Sargison's Alert Service stick-handlers, who will be in his regular berth tonight at the Victoria Sports Centre, when his club battles the Conservatives in the third and deciding game of the preliminary boxa play-downs. Servicemen came from behind Monday evening to register a 21-17 victory in one of the greatest uphill battles ever waged on the local sports front. The victory tied the series at one game each and forced the third and crucial encounter this evening. Conservatives took the initial clash, 24-22. In tonight's curtain raiser Saanich Young Liberals will oppose McLean's Bakery in the second game of the juvenile play-offs. Monday the former aggregation scored a 20-18 overtime triumph. The first game will start at 7:15 o'clock, with the final battle billed for 9:45 o'clock.

RUFFING TO OPEN SERIES FOR YANKEES

Veteran Righthander to Oppose National League Champions

NEW YORK, Sept. 26 (AP)—The Yankees, cruising into their fourth consecutive world series with their customary cauldroned front, may find that this time they will have no pitching advantage.

Almost certainly the National League representative in the baseball classic, opening next Wednesday will be Cincinnati—with the two most heroic hurlers of the year in Paul Derringer and William Henry Walters, Jr.

Furthermore, the provision for a day of rest between the second and third, and fifth and sixth games of the series means numerical superiority is worthless.

If the Reds squeeze out St. Louis Cardinals, as they now seem perfectly capable of doing, Derringer and Walters will start the first two games of the world series and be available again in the sixth and seventh, should the series last that long.

Derringer and Walters already have nailed fifty-one victories against seventeen losses, and have worked fifty-seven complete games—more than a third of Cincinnati's entire campaign.

While Manager Will McKechnie is choosing between two aces, Manager Joe McCarthy of the Yankees, must play with one ace and a handful of kings.

RUFFING TO START
Charles (Rufus the Red) Ruffing, with twenty-one victories and seven defeats in his fifteenth season in the majors, will start the first game this year, just as he did last October and in 1936. But whether he is as strong now as he was previously is open to question.

He has worked in twenty-eight games, twenty-two of them complete, and given 212 hits in 233 innings. He has been knocked out of the box in his last two starts, but is hot with the money down.

Ledy Gomez certainly is not the pitcher now who won six world series games without ever being beaten. Starting twenty-six times this year, he has finished with eleven victories, while losing eight.

Monte Pearson and "Bump" Hadley each have won twelve and lost five, and Steve Sundra, sporting an unbroken string of eleven victories, was a relay man most of the season. He probably will be relegated to that role in the series.

The Yankees have all the better of any catching comparisons, because Bill Dickey still is without a peer as a backstop on any basis of consideration. The Reds, nevertheless, have in Ernie Lombardi, the man who led the National League in batting last year, and was chosen the most valuable player of the year.

Italy Lays Claim To Flying Record

ROME, Sept. 26 (AP)—Italy made claim today to the world altitude record for seaplanes, which is now held by the United States.

An announcement said Colonel Nicola di Mauro, in a flight of 1 hour and 58 minutes, had climbed to an altitude of 13,554 metres (44,457 feet) bettering by 1,801 metres (5,907 feet) the record made by Lieut. Apollo Soucek, of the United States Navy in 1929.

BERGER OUTPOINTS LEONARD DELGENIA

NEW YORK, Sept. 26 (AP)—Maxie Berger, of Montreal, climbed another rung in the ladder toward a challenge for world welterweight honors tonight by outpointing Leonard Delgenia, of New York, in an eight-round bout at the Bronx Coliseum before a crowd of 12,000.

Berger weighed 141 3-4 pounds, and Delgenia, 146 3-4.

McLEAN'S LINE-UP

Line-up of McLean's Bakery boxa team for this evening's game at the Victoria Sports Centre will be as follows: Taylor, Porter, J. Lott, Watson, Ludbrook, Popham, Holmes, Braithwaite, G. Lott, Bishop, Penketh, Lea, McCaghey and Jones.

EXPLANATION FOR YESTERDAY'S RIPLEY CARTOON

Discovery in a Fog—One night as Mr. Carrier was walking in a cold, heavy fog, he thought suddenly struck him. "If the means could be found to produce a fog artificially in a stream of air, then by controlling the temperature of the fog and removing all free moisture, the problem of air conditioning could be solved."

Cage Entries to Close October 7 In City Circuit

OFFICIALS of the Victoria and District Basketball Association announced last night at their meeting in the Y.M.C.A. that the closing date for entries in the city circuit will be on Saturday, October 7.

Teams intending to compete this season are asked to file their names at Horrie's Cycle Store, Port Street, as soon as possible. The Dominions, holders of the Canadian honors, have already entered the senior division, as have the Senators. One more club, Northwesterns, is expected to play in the division. In the intermediate "A" division, Eight Aces, Caveys and the Bombers have entered, while Unitys is the only team so far in the Women's Senior "A." Cardinals will be in Senior "B" and the Advents in Intermediate.

It was also announced that Albert "Red" Martin, former member of the Dominions, has been reinstated by the Canadian Association through the provincial body. Officials discussed the idea of playing league games at the Victoria High School gymnasium and will approach the school board concerning the floor.

PATRICK AFTER TWO FORWARDS

Boss of the Rangers Needs Players to Fill In on Front Line

NEW YORK, Sept. 26 (AP)—Hint of snow filled the air around Gotham's splires today as Manager Lester Patrick sat in his snug office with a problem before him—filling two forward spots in New York Rangers' National Hockey League line-up.

"I don't care where they come from," Lester explained. "The jobs are open to fast, sharpshooters forwards. Right now any person who can skate and handle a stick has a chance."

Patrick mentioned Edgar LaPrade, centre of Port Arthur Bear Cats, Allan Cup holders, as possible timber. Then there are Joe Krol of Winnipeg, Kilby Macdonald of Ottawa, and Lude Wareing of Regina, standouts last year with Philadelphia Ramblers, Rangers' International-American League club. All Pike of Winnipeg and Stan Smith of Cold Creek, B.C., New York Rover stars, and Herb Foster, from Atlantic City Seagulls, also are part of the picture.

"Any two of those players could make the grade," said Patrick. "But to could any two of a bunch of young amateurs coming up to the Ranger camp at Winnipeg."

One gap in Rangers' scoring section was created by sale of Cecil Dillon, veteran left winger, to Detroit Red Wings. The other was

filled alternately last year by Bill Carre and George Allen, Rambler recruits sold to Chicago Black Hawks at the end of the season.

Only other change in the Rangers will send Larry Jolyneux, utility defenceman, to Philadelphia to replace Butch Keeling, who has taken a player-coaching job with Kansas City, of the American Association.

Decision to this effect was reached at the annual meeting of the association, under the chairmanship of Harry F. Davis, president, last night, when it was agreed that "The Bishop Misbehaves" should be the first public performance of the year, and that half the net proceeds should be presented to the Red Cross. Trials for the production will be held next Tuesday night, and James McGrath is to be asked to direct the production.

SUCCESSFUL SEASON.
In his presidential report, Mr. Davis stated that while the association had not accomplished all that it had hoped to do in the matter of alterations to the hall, the season had been a successful and profitable one. He paid a tribute to the assistance given by the orchestra under the direction of Alex Scott.

H. J. S. Reynolds, treasurer, after presenting the financial report, explained that during the year the directors had collected \$650 towards debentures for the purchase of the hall, but when war was declared they decided that it would be impossible to raise the remaining \$500 to \$800 that was required. Letters

had been written to those who had subscribed, offering to return their money, but explaining that all future efforts of the association would be devoted to patriotic funds.

The results were most encouraging, Mr. Reynolds said, the majority of those who had subscribed intimating that they wished the money to be used for any purpose that the association saw fit. The net result was that the association had \$150 to \$160 in the bank, with no outstanding bills.

MEMBERSHIP DRIVE
He emphasized, however, that this generosity threw a burden upon the members of increasing the membership of the association, so that the \$400 required for one year's operation would be assured. He urged that a drive for membership should be inaugurated immediately.

The president said that he had not yet given up hope of being able to purchase the hall. The lease would expire on December 31, and he was endeavoring to arrange a renewal, with the option to purchase.

It was resolved that the general committee for the coming year should consist of the present board of nine directors, with the addition of Douglas Flinnott and Stewart Clark.
